

CS 398: Daily Standup

Team #: 104

Date: February 11th 2022

Questions

Enter comments below. If a team member is absent, fill in their name, and put a line through the answer section.

Name	What have you completed since last meeting?	What are you going to complete today?	What obstacles are in your way?
Ajay Sharma	Started to setup SQLite for the Note File	Continue setting up SQLite for the models and test to make sure data is being entered into the Database	Working with team members to know what information to store in the Database
Johnny Leung	Setup the Note and Folder models and begun planning data types / structure for the database	Continue aligning primary keys/foreign keys from the models to the database	Working together with teammates to decide on best structure
Yolanda Yu	Sketch out prototypes layouts	Finished UI for Folder and Notes page	NA
Lucas Harvey	Planning abstract base class for RecyclerView	RecyclerView for both notes and folder	N/A

Discussion

Is there anything else we should capture from this meeting?
